PARTS / SERVICE MANUAL
PUBLICATION NUMBER PL590

HOW TO USE THIS PARTS/SERVICE MANUAL

1. DRAWINGS

Complete "exploded" drawings are provided for each mount type. Each part is assigned a reference number for cross-reference to the part number in the parts list.

2. PARTS LIST

Parts are called out by part number, reference number and part description. Total part quantities are listed by mount type. The mount types are referred to as follows:

- C = Canon C/FD mount
- N = Nikon N/AI mount
- M = Minolta M/MD mount
- O = Olympus O/OM mount
- F = Pentax F/K mount
- Y = Yashica/Contax Y/C mount
- K = Konica K/AR mount

3. DISASSEMBLY/REASSEMBLY PROCEDURES

The procedures apply to one mount type only. Parts which are exclusive to this mount type are described by part description and reference number, followed by the mount type designation. Parts which are common to other mount types are described by part description and reference number only.

4. HOW TO ORDER PARTS

When ordering parts, please furnish the name of the product for which parts are being ordered, and identify each part by part number and part description.

Parts orders shall be addressed to: International Operations Department
