

Vivitar Series 1[®] 70-210mm f2.8-4.0 Zoom Lens with 1:2.5 Continuous Macro Focusing

70mm

210mm

Macro focus at 1/2 life size

- Fastest 70-210mm available on the market today. Revolutionary new Vivitar design allows f2.8 aperture for optimum performance with slower transparency film.

- Superior optics use rare-earth glasses to improve contrast and resolution from edge-to-edge throughout the zoom range.

- Smooth, one-touch zoom and focus control.

- Macro focusing to 1:2.5. Vivitar-pioneered continuous macro focusing features allows continuous zooming into the macro range with no additional switches. Ability to zoom in macro gives the photographer extra flexibility for macro composition.

- Extended minimum focusing distance of 2.6 feet allows greater flexibility for macro lighting and photographing hard to reach subjects.

- Vivitar Accessories: 62mm Filters, Step-up Adapter Rings, Close-up Sets, Lens Hoods. 175mm Hard Lens Case

and Large Pouch Case. Accepts Vivitar 2X Macro Focusing Teleconverter and regular 2X and 3X Teleconverters.

- 5 year Limited Warranty
